

Weston Women's League Accepting Applications from Non-Profits

OCTOBER 5, 2009 (WESTON, CT) -- Fairfield County non-profit organizations are invited to apply for financial funding from the Weston Women's League (WWL). The WWL is accepting applications from area non-profit organizations that want to be considered for a donation from proceeds of our annual 2010 spring fund-raiser to be held on April 10th. This is referred to as the Spring 2010 Cycle!

The continuing theme for the Weston Women's League is Women Helping Women. Recipients of the spring fund-raiser have traditionally focused on programs or services that help women move beyond their current circumstances through education/literacy programs, as well as organizations that deal with basic family needs.

The event each year donates from \$500 to \$5000 to each of the selected charities. Past beneficiaries have included Mercy Learning Center, Project Return, Caroline House, and Dress for Success.

The Weston Women's League (WWL) was founded in 1972 to promote a sense of community through dedication to civic services, fund-raising and cultural activities. The WWL has grown to be a cornerstone of philanthropic and educational endeavors and has distributed over \$500,000 to many Fairfield County charities. Applications may be obtained on the League's website at www.westonwomensleague.com. All applications must be received on or before November 6, 2009. For additional information, contact WWL Philanthropy Chairperson, Heather Pemberton Levy at 203.557.4897 or hpembertonlevy@gmail.com.
